Extending Your Prefix / Suffix to Other Breed Societies

Your prefix/suffix has been registered with the Central Prefix Register for use when registering home bred horses or ponies with the breed society/ies named overleaf.

If you would like to include any other breed societies affiliated to the Central Prefix Register, please send a note of your wishes together with your certificate and a cheque for £25 per each additional breed society, payable to Central Prefix Register. An updated certificate will be sent to you.

Please notify your breed societies and the Central Prefix Register of any change of address, additional owners or future heirs to your prefix, and if you decide to give up breeding. There is no charge for updating our records, but a fee of £20 is payable for a new certificate.

Please inform the Central Prefix Register if you notice any irregularities or mis-use concerning prefixes.

Thank you for your co-operation.
